The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine hastily what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to benefit *honest, but unfortunate*, debtors, whose *just liabilities are greater than they can pay.*

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of all their debts and liabilities, of *every kind and description whatever*, and also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders" of the Supreme Court of the United States. Those schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U S Commissioner, must accompany the petition, and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property by him acquired subsequent to filing a petition in Bankruptcy, by or before the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a *new leaf* is turned over." On this point decisions have been variant. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10 As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value $500; five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864. A sale 'Counsel' for suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him free from the operation of the Act, exceeding $700, besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homestead stocks under this Act.

11 It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 46 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors

13 Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time to make application in Bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay, in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

TICKETS! TICKETS!! TICKETS!!!

Don't forget that every candidate's name voted for in each county must be put upon one ballot. Gen. Canby allows but one box and one ballot.

Order your tickets as soon as the nominations are made in each county, with a correct list and the full names, from the most convenient printing office to you, and the State Executive Committee will pay the bills.

We shall charge $2,50 per thousand ballots, when ordered and paid for by the State Executive Committee. Gentlemen who want tickets, for their own purposes, will be charged $3 per thousand.

It is important to have tickets enough.—Generally, the order for a county should be over, rather than under, the entire vote of the county, for the reason that so many are destroyed.

THE WORK GOES BRAVELY ON.—THE WEST ABLAZE! Letters received from reliable sources in the West assure us that our people are fully and thoroughly aroused to the great and vital issues before them.

A letter from a prominent citizen of Burke says that the mass meeting at Morganton was a decided success. The speeches of Mr. Ashe, Mr. Nash, Mr. Turner and Gov. Vance, produced a powerful effect. He states that he has been greatly surprised at the state of public feeling in Cleaveland, Rutherford and McDowell. The white population is becoming confident of defeating the Constitution.

A gentleman from Macon county writes; "I am sure every thing is alive in these parts, in the way of politics. Our party is on the wing every where. Haywood is at work, Jackson is getting hot, Clay is stirring smartly and Cherokee is beginning to move. Our majority will be large in Jackson, Macon and Clay."

Other accounts from other sources are equally encouraging and glorious.

LEAVING THE LEAGUES.—The Asheville *News* has the names of about seventy five persons who have left the U. L. A. Every one has read the so-called Constitution, and says "I can't swallow the disgrace it brings upon my children."

About 300 have left the midnight plot chief-plotting concern in Rutherford County.

"Now, by St. Paul, the work goes bravely on."

IF HOLDEN should be elected Governor, (of which, we are profoundly thankful to say, there is no present prospect,) he cannot enter upon the duties of the office. Congress has no idea of removing such a sinner's disabilities.

THE GREAT and paramount issue is: SHALL NEGROES or WHITE MEN RULE NORTH CAROLINA? All other issues are secondary and subordinate, and should be kept so.

COL. W. P. BYNUM has accepted the Conservative nomination for Solicitor in the Ninth Judicial District.

ANOTHER GUN SPIKED!!

GEN. ABBOTT'S LETTER.

Gen. Abbott, as Chairman of the Committee on Finance, has issued an address to the people in defence of the Radical party from the charge of providing for extravagant taxation. This letter is evidently in reply to the article published in the *Sentinel*, extensively copied in our State papers, and circulated in pamphlet form by the Conservative Executive Committee.

We are glad to find that Gen. Abbott, substantially, by his silence in regard to them, admits the statements of the taxes to be raised by the first General Assembly, heretofore made by us. Of course, if he had been able to deny the correctness of any of our estimates, he would have specifically done so, just as he spends his strength in regard to the item of the State debt. HE DOES NOT DENY THEM! He, therefore, admits their correctness.

1. Gen. Abbott does not deny that the General Assembly, at $8 per day and with many useless officers, such as reporters for Radical newspapers, Sergeant-at-arms, &c., will cost $50,000 more than heretofore.

2. He did not deny, *and cannot*, that the 20 NEW STATE OFFICERS will cost $60,000 per annum more than heretofore.

3. He did not and cannot deny that the Penitentiary will cost $250,000—at least $100,000 the first year.

4. He did not and cannot deny that the Common Schools, for whites and blacks together, will cost $500,000 per annum.

5. He did not and cannot deny that the University, hereafter to be free for blacks and whites, will cost $35,000 per annum.

6. He did not and cannot deny that the militia, whom Holden announces his intention to arm and equip to keep down opposition to his administration, will cost $300,000 per annum. The proposed Constitution violates the Constitution of the United States in imposing this duty on the General Assembly, but it was necessary to enable Holden to do like Brownlow, and hence this provision.

Now all the above named expenses are such as must be incurred right away by the first General Assembly. Gen. A. did not deny them, because they are laid down in black and white in the Constitution. We did not estimate many other expenses imposed by the Constitution, such as Houses of Refuge, Drunkard Asylums, &c., because these may be deferred by the General Assembly, if they choose. The expenses above enumerated the General Assembly must provide for, or break their oaths, as they must swear to support the Constitution.

These expenses make $985,000 *more* than the State has ever paid. Now add the taxation of last year, $260,000, and we have $1,245,000, per annum, to support the State Government, *—not counting the interest on the public debt.*

And yet Gen. Abbott does not deny any one of them; only makes a general assertion, plainly absurd, as will hereafter appear.

Gen. Abbott estimates the State debt, already existing and to be created under ordinances of the Convention, at $18,388,000, whereas we estimated it *from official data* at $19,476,500, a difference only of some $60,000 per annum. Gen. Abbott must study figures a little more closely, before he becomes a *perfect* Chairman of Finance Committees. He takes his figures from the Treasurer's Report to the Convention, which brings down the outstanding interest to only October 1st. 1867. The Ordinance of the Convention, ordering the payment of interest, directs the funding of over a million dollars of interest, falling due after Oct. 1st. 1867, which, added to Gen. A's figures, make in round numbers the debt, as we stated it, $19,476,500. We see, by Mr. Battle's letter to Dr. Leach, that he estimates it at $19,480,500,—$4,000 more than we did.

The difference however is not very great. Gen. A. says the Interest is $1,101,284, while we make it, *and we are right*, $1,168,000.

But Gen. Abbott says we have sets off of bonds and stocks, which diminish the State debt to $5,257,000, and he quotes from the Public Treasurer's report, to the General Assembly of 1865-'66, wherein he says, "while some of these sets-off are unproductive at present, I believe, in a short while, under the revival of trade and travel, they will, to a great degree, relieve the burden of the public debt."

Mr. Battle had a right to make this prediction in January 1866. He could not anticipate, then, that hostile, so-called reconstruction legislation, vile slanders by infamous partizans, asserting the unsettled condition of the South, and ruinous taxation of our staples, cotton and tobacco, and on the whiskey manufacturers of the Western counties, would prevent "the revival of trade and travel," which he, in common with all patriots, hoped for. Trade and travel *have not revived*, and the public burdens are not, therefore, relieved by the Railroad stocks held by the State. Not a cent of dividend has been paid the State and there will not be in any certain time. Some of the stocks, as those of the Atlantic & North Carolina Railroad, of the Western, and of the Western N. C. R. R., cannot be expected to be productive for many years.

So much for Gen. Abbott's sets off. The truth is that for the present the State must look to other sources than dividends from Railroads, to enable her to pay interest on the public debt.

Gen. Abbott makes a radical mistake as to our position. We are as much opposed to repudiation as he is. In fact, we are more so, as he voted for the ordinance providing for the payment of the interest on the debt dated *before and since* the war, totally ignoring, and thereby repudiating bonds issued *during* the war, issued for internal improvement purposes only. We think, however, this, as well as other matters of detail, should be left to the General Assembly, who are the best judges as to the time and manner of commencing payment of interest. Especially we insist that a Constitution, which imposes, besides the $1,168,000 interest, additional burdens of $1,245,000 per annum, should be voted down, as not suitable to the people of North Carolina. And we are sure that the forcing our people, by the legislation of Northern men and at penniless negroes, to begin payment of interest before they are ready, will foster the spirit of repudiation. Hence we are the truest friends of the bond holders.

GEN. ABBOTT IGNORANT OF THE CONSTITUTION!

We are amazed that Gen. Abbott should say that, under the action of the Convention, "new bonds can be issued to pay every cent of the interest as it falls due, until the people shall be able to pay the tax." The ordinance expressly directs, that payment shall be made on part of the debt on 1st January, 1869, IN CASH, and, then funding all interest not paid into new bonds, the ordinance directs the General Assembly to pay interest on the whole debt accruing 1st July, 1869, and afterwards, IN CASH. We reprint the ordinance in another part of this paper, so that our readers may judge for themselves. Indeed, the Constitution itself declares, that "the General Assembly shall," by appropriate legislation *and by adequate taxation*, provide for *the prompt and regular* payment of the interest of the public debt." The Constitution further provides that the General Assembly, "after the year 1880, shall lay a specific annual tax," for the purpose of creating a SINKING FUND, i. e. the General Assembly shall begin right away, *promptly, by adequate taxation, to pay interest regularly*, and, after 1880, *a tax in addition* shall be levied to create a Sinking Fund. Words cannot be plainer.

Surely, Gen. Abbott was napping terribly when he said: "To correct this, (i. e. depreciation of our bonds) it was only necessary to provide for the resumption of the interest, and this the Convention did, *but did not direct a tax* to be levied till 1880." Oh, General Abbott!

COTTON TAX.

Gen. Abbott argues that our people can pay all these Convention expenses of over $2,000,000, because in 1867 they paid $1,800,000 taxes on cotton, and "there has been no extraordinary oppression from taxation."

In the first place, it is not true that there has been no extraordinary oppression from taxation. Many cotton planters were ruined last year. All, except a few, who have held their cotton until now, lost money. To many farmers the tax amounted to *one fifth of the gross proceeds of their crops*. This is certainly "extraordinary oppression."

Secondly, cotton planting does not exist all over the State. Those who raise this staple might manage to pay their share, but the taxes must be uniform, and we really believe very many worthy people, now hardly making both ends meet, will be totally unable to pay their increased taxes.—Lands will be sacrificed at tax sales, bought by capitalists and speculators, and our good citizens, with whom we have been raised, will give place to strangers. Perhaps Gen. Abbott would like this. We cannot think of it without horror. We have North Carolina hearts.

Gen. Abbott defends the Convention by showing, at length, that certain prominent Conservatives, Presidents of Railroad Companies, asked and obtained aid for their Roads. Certainly, and they did their duty to their Roads, by getting all they could.—Railroad Presidents are generally sanguine in regard to the ability of the State to bear increase of debt in their favor, and nobody blames them. We have not found fault with their action. We might have voted for their schemes, for they have extremely "winning ways." But we presume no one of them asked the Convention to aid them by giving the people a Constitution which will cost over $2,000,000, FOR STATE TAXES ALONE. They would not be guilty of such bad "Railroading" as this.

GEN. ABBOTT JOCULAR.

The General is not only a financier and expounder of Constitutions, but he is a regular Joe Miller. Hear him! "The people must remember that it will not cost as much to conduct the affairs of the State *under the new Constitution as under the old*. By a careful estimate, it will be found that there will be a saving to the State of over $100,000!!"

Now think of it a moment. Under the new Constitution 20 new offices are created, which will cost $40,000; the Common Schools, to be opened for negroes and whites, will cost $500,000; the Militia must be armed, equipped and paid when in service, which costs old Brownlow $300,000, and will cost Holden the same; the University is to be made free for black and white, which will cost $35,000; the Asylums to be thrown open for all colors, rich and poor, which will cost $50,000 more, and a Penitentiary *must be built by the first General Assembly*, which will cost $100,000 the first year, &c., &c. And all these things, according to Gen. Abbott, can be done for $100,000 less than we have heretofore paid for our State government—i. e. for less than $200,000. The General Assembly, alone, will cost two thirds of this!

THE POLL TAX ARGUMENT.

The General quotes the clause in the Constitution which says the poll tax shall be equal to tax on $300 worth of property, as showing that the taxes cannot be very high. To this we reply: 1st. That all the provisions of the Constitution must be construed together, and, as, very clearly, other clauses *command* a much higher taxation than the words of this section, taken *literally*, would warrant, the Courts will be compelled to give them such a meaning as will make all the provisions stand.

2nd. Or else if the rate cannot be raised, the quantity of property taxed must be increased. Besides land and other property heretofore taxed, it will then become the duty of the Assembly to levy on WEARING APPAREL, horses, cattle, provisions, &c. All these will have to be brought in the tax list, as well as CHURCHES, school books, schools, mechanic's and farmer's tools, &c., in order to raise what this Constitution prescribes shall be raised.

This last view derives plausibility from the following considerations:

1st. While the Constitution is full of details, in fact being a mere code of laws, NO EXEMPTION from taxes is put into the Constitution. The General Assembly shall *have power* to make exemptions, but they are not compelled to do it. And they *could not do it*, if thereby they would fail to raise money enough to carry out the directions of the Constitution.

2. The late Convention actually levied a TAX ON EVERYTHING,—*on the baby's cradle*, the BIBLE, the clothes we wear, the food we eat—to pay the expenses of the Convention—to pay negroes and others $8 per day. No doubt the Radical party, if elected, will pass another Revenue act just like this. In fact, if the section under consideration be interpreted *literally*, no other act can be passed.

Gen. Abbott is oblivious of the increased County taxation under this abominable Constitution. He fails to notice the enormous increase of taxes under his Yankee *regime* of County Commissioners, salaried Justices of the Peace and townships. We have not space to eliminate this heavy expense.

The truth is, the extravagance of this Constitution cannot be defended. It is, to state the whole truth in a few words, a *Yankee Constitution*, fitted only for rich and populous communities like Massachusetts and Rhode Island, with a people homogeneous in character. Imported here, and offered to a people poor and sparsely settled, with one third of their number ignorant Africans, just emerged from slavery, it is in such a place A GRIM AND HIDEOUS MOCKERY.

Its success will be the ruin of the people—ITS DEFEAT THE BEGINNING OF RENEWED PROSPERITY. In three weeks, it will be cast, by a terrible rebuke of 20,000 WHITE MAJORITY, into the rubbish of history. It may be exhumed hereafter by some antiquarian and held up as a monument of legislative folly. Some of its advocates will take conspicuous places in history, as *petty* Dantons, Robespierres, Barcres and Benedict Arnolds.

General Abbott's letter has not only appeared in the *Standard*, but will, doubtless, be sent, in another form, all over the State. It is a deceptive and misleading article, and we call upon our cotemporaries throughout the State to publish our reply, that the antidote may go along with the poison.

PHOTOGRAPH NO. 2—(BY MACAULEY.)

(Similis non idem.)

"As soon as Barere ceases to write trifles, he begins to write lies;—and such lies! A man who has never been within the tropics does not know what a thunder-storm means; no man who has never looked on Niagara has a faint idea of a cataract; and he who has not read Barere's papers, may be said not to know what it is to lie. When a man is not ashamed to tell lies about events which are known by hundreds of witnesses, and which are recorded in well known and accessible papers, what credit can we give to his account of things done in corners? No writer, who does not wish to be hanged at, will ever cite the unsupported authority of Barere, as sufficient to prove any fact whatever. The only thing, so far as we can see, on which these writings throw any light, is the exceeding baseness of the author. In fact, they are the mere dregs and rinsings of a bottle, of which even the first froth was of very questionable flavor. The worst vices of the writer had not yet shown themselves; but the weakness, which was the parent of those vices, appears in every line. His levity, his inconsistency, his servility, were already what they were to the last.—All his opinions, all his feelings, spin round and round, like a weather-cock in a whirlwind. Nay, the very impressions which he receives through his senses, are not the same two days together. In this state of mind, without one settled opinion, the slave of the last word, loyalist, aristocrat, democrat, according to the prevailing sentiment of the coffee-house or drawing room into which he had just looked, did Barere enter into public life."

Again, here is a side picture: "When the Convention met, the majority were with the Girondists, and Barere was with the majority. On the King's trial, indeed, he quitted the party with which he had ordinarily acted, voted with the Mountain (the Jacobins,) and spoke against the prisoner with a violence such as few members, even of the Monatain, showed. He concluded his speech with a sentence worthy of his head and heart: 'The tree of liberty flourishes when it is watered with the blood of all classes of tyrants.' It was natural that a man like Barere should, under the circumstances, try to distinguish himself among the crowd of regicides by peculiar ferocity. It was because he had been a royalist, that he was one of the foremost in shedding blood."

HARD ON LOGAN.—The Asheville *News* says that Gen. Geo. W. Logan, the Radical candidate for Superior Court Judge, in the Ninth District, in speaking, a few days ago, of what Daniel Webster said about the "infernal abolitionists," spoke of that great man substantially as follows: "Who is this Daniel Webster? Why, a fellow that lived up there in Massachusetts, and spent his time in making School-books and Dictionaries for children."

If Logan knows no more about law than he does about the history of the great men of our country, he will be as likely to charge a jury from one of Webster's Primers as from the laws of the State.

AND NOW MICHIGAN (see telegram) votes down her new Constitution, because it proposed to give the NEGRO suffrage! Has Michigan a Republican form of government? The people of North Carolina are offered an election. Have they not the same right to vote down an odious Constitution that Michigan has? In Michigan, negro suffrage would practically amount to nothing, as there are, probably, not one thousand negroes in the State. In North Carolina, it will be NEGRO SUPREMACY!

LINCOLN, GATES AND CLEVELAND.—The Editor of the Charlotte *Times*, who has been through this country, says: "We were gratified by having a very interesting conversation with that sterling patriot, Col. J. F. Hoke, who has been active as a volunteer in the canvass, in which he gave the assurance that Lincoln would give a good account of herself. The same glorious tidings come to us from Gaston and Cleveland, the home of the fearless and indomitable Durham."

DIED:

At his residence, in Wake County, on the 29th of March last, ALBRITAN McDADE, in the 69th year of his age. Mr McDade was a worthy and estimable man, an affectionate husband, a kind neighbor, and much given to benevolence and hospitality. For months before his death, his mind was chiefly occupied with reading the scriptures, prayer and religious meditation. He often expressed his faith in the truths of Revelation, and rejoiced in the hope of salvation. He manifested an humble resignation amidst all his afflictions and often gave strong assurances of happiness after death.

Grand Conservative Mass Meeting at Henderson, on Friday, 17th of April.

All Conservatives, and others, who feel an interest in the welfare of our noble old commonwealth, and who desire to co-operate in a united effort to defeat Radicalism and vindicate the honor, integrity and conservatism of North Carolina, are respectfully and earnestly solicited to attend a Mass Meeting and Barbecue at Henderson, on Friday, 17th, of April. Speakers of great ability and popularity will deliver addresses on the vital issues of the day. Come, Conservatives, one and all!

WAKE CANVASSERS.—We are authorized, by the Executive Committee, to add the name of Chas. McCullers, Esq., to the list of County Canvassers for Wake.

THE REGISTRATION lists will remain open four days longer. REGISTER! REGISTER! The white man, who neglects this duty, commits a great crime.

REGISTER! REGISTER! REGISTER!!

THANKS to Jos. B. Beard, Hickory Tavern, for a club of ten subscribers to the Weekly *Sentinel*.

VANCE spoke at Burnsville, Yancey Co., on Monday, and at Kelsey's Store, Madison Co., on yesterday. He speaks at Asheville to-morrow and at Hendersonville on Friday.

THE REGISTRATION lists are open at the Court House. Let no man, who is entitled to register, *fail to do so*. If he does, he may repent at leisure!

W. L. TATE, Esq., is announced, by the District Committee, as the Conservative candidate for Solicitor in the 12th Judicial District. An admirable selection.

NEW ADVERTISEMENTS.—See Creech's announcement of Spring and Summer Goods. We have heretofore called attention to his splendid stock, and now take pleasure in directing notice to his advertisement. He tells "all about it."

Prime Factory Cheese: Upchurch & Dodd, Market Square.

An accomplished young lady wishes a situation as Teacher: Address Jos. S. Jones, Esq., Henderson, or the Editors of the *Sentinel*.

MAYOR'S COURT.—Prince Jones, negro, charged with stealing an Ox and Cart from Bitha Chavers, colored, was returned to the Superior Court.

Superior Court.—Judge Cannon and all the Judges adjourned about midnight of Monday. As heretofore stated, the trial of the three negro soldiers, on an indictment for the murder of a colored man of this city, (Anderson Selby,) in December last, was protracted over from last week. The Jury, meanwhile, remaining under charge of an officer of the law. On Monday morning the argument for the Defence was opened by the Hon. D. G. Fowle, in a very able argument, which consumed several hours. The Attorney General, Hon. Elon H. Rogers, replied at length and with great force, and Col. R. G. Haywood closed, in behalf of the prisoners, with his accustomed power. The Judge then charged the Jury in an impartial and lucid manner, and they retired about 11 o'clock at night. After remaining out about twenty minutes, they returned with a verdict of "*Guilty*" as to Alexander Willis, and "Not Guilty" as to Anthony Jackson and Henderson Tarboro. Willis' Counsel prayed for and obtained an appeal to the Supreme Court.

REGISTRATION.—The books of Registration were to open in this City on yesterday, with the following result, viz: Wards 2, Blacks 23. The lists will remain open four days longer. The inclemency of the day probably prevented the attendance of most of the unregistered whites.

We take this occasion to admonish the Registrars that we have heard that an attempt will be made by numbers of many negroes, under cover of uncertainty as to age, to register. We take it for granted that this hint will be sufficient, or we may be more explicit.

PROF. B. S. HEDRICK.—This gentleman is announced as a Republican candidate for Congress in this Congressional District. Mr. H. is a native North Carolinian and an able man, and possesses claims to the support of the Republican party, in this District, which Col. Dockery, an imported Radical, has not. Mr. Hedrick was driven from the University of North Carolina, years ago, by the violent clamor of Holden against him, because of his opposition to African slavery. He has been a life-long opponent of slavery, and is no new convert to the Republican faith, as Dewees is.

SERVED HIM RIGHT.—We stated, on yesterday, that the Radical county candidates had originally declined to canvass with our candidates, but now desired to divide time. The reason for this change of tactics is, that while the people have turned out to hear the Conservatives, the Rads have spoken to a great meeting, of themselves. Having chosen their course in the outstart, our candidates now very properly refuse to permit them to avail themselves of their crowds. Still, we learn that Mr. W. B. Jones forced himself upon our meeting at Banks', on Monday. After all other candidates had, through speaking, he also spoke, but it was to a slim audience. The people were so utterly disgusted with his latrusion and effrontery, that but few remained to listen to his jabber.

COL. CANTWELL, late C. S. A., we learn, writes a letter of three partial columns, giving in his adhesion to Radicalism. The ex-Colonel has a talent for saying an immense many amount of dirt. A little would have answered the purpose just as well, and buried him quite as effectually. We remember the time when Col. Cantwell was the first and only man in Raleigh, who wore the "secession cockade," prominently displayed on his beaver!

TAX! TAX! TAX! will be remembered that we published, as *apropos* to the times, a few days since, some capital verses, with the refrain—Tax! Tax! Tax! An accomplished musical friend is Randolph has adapted them to music and sends us the notes. We regret that we have no music-type, or we would publish our friend's farce as a campaign melody. We shall have to turn it over to some lady friends with the request to sing it at some future meeting of the White Man's Club.

HON. THOS. S. ASHE.—The Statesville *American* says that "we are pleased to learn from every quarter, that Mr. Ashe is winning favor with the people. His eminent abilities, purity of character, and integrity of purpose in addressing the people in the great crisis—filling a warning voice to his countrymen, to shun both disgrace and ruin—show Mr. Ashe to be a true benefactor of his race."

GREAT MASS MEETING at Rutherfordton on the 18th.

GLORIOUS LITTLE CATAWBA.—This noble little county promises to be the banner county. A correspondent writing us from Newton, under date of the 6th, says:—"Catawba will do her duty in the coming election. I think that we can send you 1,000 majority against Billy and his crowd, and at least the same majority against the odious Constitution, manufactured by negroes and scalawags."

COL. JOS. S. MCELROY is the Conservative candidate for the Senate in the 42nd District, composed of the Counties of Yancey, Madison, Mitchell and McDowell.

David Proffit is the candidate for the House in Yancey.

J. H. McLaughlin, Esq., is the Conservative candidate for Senator in Iredell, and George T. Davidson and T. A. Nicholson, Esqs., the candidates for the "House of Representatives."

TWELVE NEGRO prisoners made their escape from the jail at Wilmington, on Saturday night. Two of them were confined for murder.

BRUNSWICK has a capital Conservative ticket: Col. Jno. D. Taylor for the Senate, and D. C. Allen, Esq., for the "House of Representatives," so-called.

E. B. STIMSON, of Iredell, who was nominated by the Radicals for Register of the county, repudiates the nomination. He wishes it distinctly understood that he has "no sympathy for or connection with the Radical party."

MATTERS IN HALIFAX.

SCOTLAND NECK, April, 1868.

MESSRS. EDITORS:—The Conservative candidates for the Legislature, in this county, spoke here on Saturday last, as per appointment. Richard H. Smith, Esq., first appeared, and in a speech of some length, urged upon the people the importance of voting in the coming election, and appealed to them to turn out *en masse*, and vote down the proposed Constitution—a Constitution which, if adopted, would result in untold evils to us. He then reviewed some of its most obnoxious features, and the mischiefs that would result from their adoption. He warned the negroes present against the men who were trying to bring them in opposition to the white men with whom they were raised,—that it was to their interest, as well as that of the white man, to vote down any measure calculated to bring discord between the races.

Ed. Conigland, Esq., of Halifax, next appeared. He dwelt on in glaring terms, the object of the Radical party in trying to force upon the people of North Carolina a Constitution so repugnant to justice and right, and reviewed, one by one, the different candidates of that party, from Governor down. We have seldom heard a more soothing review. He told the negroes of their worse than folly in being led by such men and warned them against those who would make them their tools with which to rule into power.

Mr. James H. Whitaker then came forward and announced himself also a candidate on the Conservative ticket, and that, as the subject had been so thoroughly discussed by the gentlemen before him, he would say no more.

Speaking being over, Dr. W. R. Wood came forward and said that as there were so many present, he would move they organize into a regular Club, for the purpose of getting out the voters, &c., and he moved that Alfred White, Esq., take the chair and that R. H. Smith, Jr., and John H. Davis act as Secretaries.

Dr. Wood arose and read a series of resolutions, and supported them in a neat and forcible speech.

W. B. Smith, Esq., was then called out and made some excellent remarks on the increased taxation that would follow the adoption of the Radical Constitution and the duty of organizing to defeat it.

The Chairman then announced the Committees in the several districts in accordance with the resolutions, and, on motion, the Chairman and Secretaries were added to the Committees.

The resolutions and Committees were then adopted unanimously.

On motion, resolved that the proceedings be sent to the Raleigh *Sentinel*, and request to publish.

The meeting then adjourned.

A NEW PHASE OF THE IMPEACHMENT TRIAL.

Nothing that has been adduced in the trial of the President is more calculated to impress persons remote from the capital, and not familiar with the minor details of public business, with the belief that Andrew Johnson merits conviction, than the mysterious, portentous "conspiracy" to usurp powers not belonging to his office, which the House managers threaten to prove.

The effect which Gen. Butler may have produced seems likely to be offset, however, by the divulgence of a deep-laid counter-conspiracy of the impeachers. On apparently good authority, we learn that the counsel for Mr. Johnson are considering the propriety of calling to the witness stand the parties concerned in the attempt to establish a connection between their distinguished client and the assassins of President Lincoln. Unexpected and startling developments may be made in the testimony of Messrs. Holt, Ashley, Butler, Conover, Matchett, *et al.*

It may be shown that there was a deliberate design to alienate popular sympathy from Mr. Johnson, in order to pave the way for his expulsion from office; that the passage of the tenure-of-office Bill was urged by the impeachment conspirators in the expectation that there would be an apparent violation of its provisions by the Executive in order to test its constitutionality before the courts; and that they had predetermined to avail themselves of this apparent violation of the law in order to accomplish the object of their plot.

How far this line of defence may be carried out the next few days will decide. If such a conspiracy exists or did exist, it should be brought to light, and we doubt not that it will. Such an exposure would add an interest to the trial which it has not heretofore possessed.—*Wash. Express.*

LOOK AT THE OLD NORTH STATE!

It is true, "as the old maxim tells us, to" earn from our enemies," it is surely so to be instructed by our friends! And we turn towards the example of our sister, North Carolina, for a valuable lesson which we should never forget.

In that gallant old Commonwealth her sons are moving forward to the rescue of her interests and her honor in Arms, solid columns, which sweep her territory from East to West with a fire of irresistible eloquence. It is a grand spectacle to see her hoary-headed patriots, her mature statesmen, and her youthful orators dedicating themselves to the service of their State with an unselfish and heroic devotion which is above all praise. From her mountain gorges down to her spreading coast, from her centre to her uttermost boundaries, her children are working with head and heart for her salvation. It is a sublime spectacle! Each day two hundred noble orators, noble in sentiment, noble in demeanor, noble in deed, and noble in unselfish devotion, are made within her borders.—The "fiery cross" is borne aloft within her borders by the swiftest runners of her clans, and from highland and lowland they rally to the rescue. We repeat, it is a sublime spectacle, and the most bitter Radical in Congress must admire the heroic force of the Anglo-Saxon spirit which glows with such rare brilliancy in so dark a night as that which now gathers over the orators of North Carolina. We accord them our admiration and salute them with honest pride, from Vance and Graham and Ashe down to the merest tyro among them all, and we say to the people of Virginia that we should observe our sister State and emulate her example. Let the Central Committee give the signal for the men of Virginia to be up and doing, like the men of the old North State. It is time we were at work!—*Norfolk Virginian.*

WHICH IS BETTER, the *old* Constitution of our fathers, under which we have lived and prospered, or the *new* Constitution, which obliterates all the ancient and honored landmarks, and provides for a TAXATION, which will crush the people to powder, and which is designed to have the effect of transferring the property of our people into the hands of NORTHERN PECULATORS!

SHALL WHITE CHILDREN BE COMPELLED to go to the same schools with NEGROES! That is one of the issues.

MASS MEETING AT MORGANTON.

Two Thousand People Present!—Great Enthusiasm!

We attended the Mass Meeting held at Morganton, last Thursday. Two thousand people or more were present. The vast assemblage was addressed by Hon. Thos. S. Ashe, Conservative candidate for Governor, H. K. Nash, Esq., Hon. Josiah Turner and Gov. Vance, in the order in which their names occur. The speeches occupied about six hours, and were listened to with profound attention, and frequent outbursts of applause. The new Constitution was discussed and laid bare to the people, with telling effect. Many who had been in favor of voting for the adoption of the Constitution, suddenly and unexpectedly, and supporting the Radical candidates, were heard to declare that they would now vote against the infamous document, and for the Conservative candidates.

We can attempt no report of the able speeches made by all four of the gentlemen, for we would fail to do each of them even faint justice in the effort. But let the people all go and hear them, at every opportunity—[illegible] and Alleghany counties.—*Stateville Americ.*

AN ORDINANCE PROVIDING FOR THE PAYMENT OF THE INTEREST ON THE PUBLIC DEBT.

SECTION 1. *Be it ordained by the people of North Carolina, in Convention assembled, and it is hereby ordained by the authority of the same,* That the first General Assembly that shall be convened under the provisions of the Constitution framed by this body, be, and the same is hereby, directed to make the following provisions for the payment of the interest upon the Public Debt:

SEC. 2. It shall provide for the payment in cash of the interest falling due on and after the first day of January, 1869, upon that portion of the Bonds of the State which are dated prior to May 20th, 1861.

SEC. 3. It shall provide for the payment in cash of the interest falling due on and after the first day of July, 1869, upon that portion of the Bonds of the State which are dated on and after January 1st, 1866.

SEC. 4. It shall provide for funding all such coupons upon the above specified classes of Bonds as are now due, or which may become due prior to the time when the payment of interest shall be resumed as above directed. And for such purpose the General Assembly shall authorize the issue of Bonds of the State, bearing six per cent. interest, which shall be given at par in exchange for such coupons as are now due or may become due prior to the time when such resumption of the payment of interest shall take place.

SEC. 5. This Ordinance shall be in force and take effect from and after its passage.

Passed March 14, 1868.

THEN.

"WHO WILL PLOT FOR THE TRADE OF ABE LINCOLN AND GEN. SCOTT?"—*W. W. Holden, June 5th, 1861.*

NOW.

"Our beloved State will once more put on the garments of prosperity; and our people will be contented and happy through the long ages reserved for the existence of the government which Washington established, and which LINCOLN labored and died to preserve!

Fraternally yours,
W. W. HOLDEN, President.
JAS. H. HARRIS, 1st Vice Pres.
A. H. JONES, 2nd Vice Pres.
C. W. HORNER, Sec'y."

(Closing sentence of the address to the U. L. A. in N. H. January, 31, 1868.)

IMPEACHMENT.—A prominent Radical Senator yesterday in the street cars is represented as saying to a Radical member of the House that to his knowledge six of the Radical Senators would vote against conviction; and also that there were a number considered doubtful. This Senator is one of the original impeachers, and is supposed to be thought acquainted with the views of his colleagues.—*Wash. Express, 6th.*

INTIMIDATION OF VOTERS.—We hear of threats made by "Leagues" to do personal violence to negroes who may vote the Conservative ticket. We call the attention of those "friends and brothers" to the ordinance passed by their unconstitutional Convention to "prevent the intimidation of voters."—*Wil. Star.*

The New York *World's* correspondent says: "Taking counsel from neither hope nor fear, but from the present aspect of the impeachment in the Senate, I am not prepared to believe that Mr. Johnson will be convicted."

SHALL WHITE CHILDREN BE APPRENTICED TO NEGRO MASTERS? *That is one of the issues.* The mongrel Convention refused to prohibit such a thing!

SHALL NEGRO GUARDIANS BE APPOINTED FOR WHITE WARDS! *That is one of the issues.* The so-called Convention voted down a prohibition of this possible outrage!

WHICH IS BETTER, a system of State government, devised by Gaston, Iredell, Daniel, Morehead, and other *North Carolina* patriots, or a system devised by New England adventurers, based upon Yankee notions and prejudices, adapted to New England wants, and adopted by scallawags and negroes?

Gen. Canby's Election Order.

HEADQUARTERS SECOND MILITARY DIST.,
Charleston, S. C., March 25, 1868.

GENERAL ORDERS, }
NO. 45. }

The Constitutional Convention of the State of North Carolina, in conformity with the Act of Congress of March 23, 1867, supplementary to the Act of March 2, 1867, "to provide for the more efficient government of the rebel States," having framed a Constitution and civil government according to the provisions of the aforesaid laws; and having by an ordinance adopted on the 17th day of March, 1868, provided that the said Constitution shall be submitted "for ratification to the persons registered under the provisions of this Act [March 23, 1867, Section 4] at an election to be conducted by the officers appointed or to be appointed by the Commanding General as hereinbefore provided, and to be held after the expiration of thirty days after the notice thereof to be given by the said Convention;" and having further provided, by the aforesaid ordinance, that at the same time an election shall be held for Senators and Representatives in the General Assembly, and for all State and County officers who are to be elected by the people under this Constitution, and further, that in each Congressional District of the State an election shall be held for a member of the House of Representatives of the United States Congress, It is ordered:

First. That an election be held in the State of North Carolina, commencing on Tuesday, the 21st day of April, and ending on Thursday the 23d day of April, 1868, at which all registered voters of said State may vote "For Constitution" or "Against Constitution," and also on the same ballot for the State and County officers and for members of the United States House of Representatives, as specified in the before cited ordinance.

Second. It shall be the duty of the Boards of Registration in North Carolina, commencing fourteen days prior to the election herein ordered, and giving reasonable public notice of the time and place thereof, to revise for a period of five days, the registration lists; and upon being satisfied that any person not entitled thereto has been registered, to strike the name of such person from the lists, and such persons shall not be entitled to vote. The Boards of Registration shall also, during the same period, add to such lists the names of all persons who at that time possess the qualifications required by said Acts, who have not already been registered.

Third. In deciding who are to be stricken from or added to the registration lists, the Boards will be guided by the law of March 2, 1867 and the laws supplementary thereto, and their attention is specially directed to the supplementary Act of July 19, 1867.

Fourth. Any duly registered voter of this State who may have removed from the County in which he was registered, shall be entitled to vote in the County to which he has removed and has resided for the ten days next preceding this election, upon presentation of a certificate of registration from the County in which he was originally registered, or upon his affidavit or other satisfactory evidence that he was so registered, and that he has not voted at this election. It shall be the duty of the Registrars, upon the application of any duly registered voter who has removed or is about to remove from the precinct in which he was originally registered, to furnish him with a certificate that he was so registered, and to note the fact in the registration books of the precinct. In default of the certificate, the affidavit of the voter must set forth the County and precinct in which he was originally registered and the length of time he has resided in the County in which he desires to vote. In doubtful cases, the Registrars or Inspectors of election shall require such additional evidence as may be necessary to satisfy them that the applicant is legally entitled to vote. Blank forms for the certificates and for the affidavits herein required, will be furnished the Registrars and the inspectors of election and when used will to attached to the ballots cast by such voters, and will be transmitted to District Headquarters with the returns required by law.

Fifth. The said election will be held in each County at such places as may hereafter be designated under the superintendence of the boards of Registration as provided by law, and in accordance with instructions hereafter to be given to said Boards in conformity with the Acts of Congress and as far as may be with the laws of North Carolina.

Sixth. The polls shall be opened at such voting places at six o'clock in the forenoon, and closed at six o'clock in the afternoon of each day, and shall be kept open during these hours without intermission or adjournment.

Seventh. All Judges and Clerks employed in conducting said election shall, before commencing to hold the same, be sworn to the faithful performance of their duties, and shall also take and subscribe the oath of office prescribed by law for officers of the United States.

Eighth. No member of the Board of Registration, who is a candidate for election to any office to be filled at this election, shall serve as a Judge or Inspector of Election in any precinct which he seeks to represent.

Ninth. The Sheriff and other peace officers of each County are required to be present during the whole time that the polls are kept open, and until the election is completed; and will be made responsible that there shall be no interference with Judges of Election, or other interruption of good order. If there should be more than one polling place in any County, the Sheriff of the County is empowered and directed to make such assignments of his deputies, and other peace officers, to the other polling places, as may in his judgment best subserve the purposes of quiet and order; and he is further required to report these arrangements in advance to the Commander of the Military Post in which his County is situated.

Tenth. Violence, or threats of violence, or of discharge from employment, or other oppressive means to prevent any person from registering or exercising his right of voting, is positively prohibited; and any such attempts will be reported by the Registrars or Judges of Elections, to the Post Commander, and will cause the arrest and trial of the offenders by military authority. The exhibition or carrying of deadly weapons in violation of General Orders No. 10, of 1867, at or in the vicinity of any polling places during the election herein ordered, will be regarded and treated as an additional offence.

Eleventh. All bar rooms, saloons, and other places for the sale of liquors by retail will be closed from six o'clock of the evening of the 20th of April, until six o'clock of the morning of the 24th of April, 1868, and during this time the sale of all intoxicating liquors at or near any polling place is prohibited. The police officers of cities and towns, and the Sheriffs and other peace officers of Counties, will be held responsible for the strict enforcement of this prohibition, and will promptly arrest and hold for trial all persons who may transgress it.

Twelfth. Military interference with elections, unless it shall be necessary to repel the armed enemies of the United States, or to keep the peace at the polls," is prohibited by the Act of Congress approved February 25, 1865, and no soldiers will be allowed to appear at any polling place, unless as citizens of the State they are qualified and are registered as voters, and then only for the purpose of voting; but the Commanders of Posts will keep their troops well in hand on the days of election, and will be prepared to act promptly if the civil authorities are unable to preserve the peace.

Thirteenth. The returns required by law to be made to the Commander of the District of the results of this election, will be rendered by the Boards of Registration of the several Registration precincts through the Commanders of the Military Posts in which their precincts are situated, and in accordance with the detailed instructions hereafter to be given.

NEW ARRANGEMENT

FOR THE

SENTINEL.

Published in the City of Raleigh, N. C.,
Daily, Semi Weekly and Weekly.

William E. Pell, } Editors.
Seaton Gales, }

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

Terms:

Daily Sentinel, for one year,		$8 00
" " six months,		4 00
" " three months		2 00
Semi-Weekly Sentinel, for one year,		4 00
" " six months,		2 00
" " three months,		1 00
Weekly	" for one year,	2 00

All subscriptions strictly cash in advance.

As an advertising medium, the SENTINEL is equal to any in the State. Terms moderate.

☞ We ask every Conservative in the State to become our Agent to extend the circulation of the SENTINEL. The events of 1868 will be exciting and important. The WEEKLY SENTINEL should be in the hands of the great body of the people—The terms are now so low that every one will be able to pay for it.
